Dear Ms Stanley

I refer to your application under the *Freedom of Information Act 1991* (the Act), received by the Department for Communities and Social Inclusion (DCSI) on 27 November 2017. I confirm that your application seeks access to the following information:

In relation to my previous FOI request (DCSI/17/13530), could I please request photographs of the damage from the five houses with the highest damage bill in the metro area (ie Modbury, Royal Park, Park Holme, Campbelltown and Kilburn) as well as the five houses with the highest damage bill in regional areas (ie Thevenard, Whyalla Stuart, Mount Gambier, Ceduna and Port Augusta West) as listed in Table 1. I would like to request ten photos from each of the properties mentioned.

Unfortunately, your application was not determined within the 30-day timeframe set out in the Act. However, Section 19(2a) of the FOI Act allows an agency to continue processing an application and make a determination to give access to documents after this time.

In scoping your application, Housing SA has obtained ten documents, each containing ten photos of the individual properties requested.

My determination is as follows:

Document 1	Modbury	Release in full
Document 2	Royal Park	Release in full
Document 3	Park Holme	Release in full
Document 4	Campbelltown	Release in full
Document 5	Kilburn	Release in full
Document 6	Thevenard	Release in part
Document 7	Whyalla Stuart	Release in full
Document 8	Mount Gambier	Release in full
Document 9	Ceduna	Release in full
Document 10	Port Augusta West	Release in full

My determination to partially release Document 6 is made in accordance with Section 20(4) of the Act, and my decision for partial release is based on exemption Clause 6(1) of Schedule 1 of the Act.

Clause 6(1) has been applied to the redacted (blacked out) sections of Document 6 as they refer to the personal affairs of third parties. Housing SA has a responsibility to preserve the privacy of third parties and considers that they would have a reasonable expectation that their personal affairs, such as home addresses, will not be disclosed to others.

Charges payable for dealing with your application

After considering an application and determining that access to the requested document(s) is to be given, an agency must determine any charge payable for dealing with the application in accordance with Section 19(1)(c) of the Act.

A total of fifteen hours was spent processing your application and the total cost of processing your application is **\$768.00** (\$12.80 per 15 minutes). This fee comprises time spent on finding, sorting, compiling and scanning documents within the scope of your request.

Please note that the documents referred to are not included with this determination and will be provided once payment for the processing costs outlined above has been received.

Fees and charges for the processing of FOI applications are established by Section 53 of the Act, and quantified in the *Freedom of Information (Fees and Charges) Regulations 2003* as varied. Copies are enclosed for your information.

If you disagree with the assessment of the fee, you may seek a review of the charge in accordance with Section 53(3) of the Act. This may be done in writing to DCSI's Chief Executive as the Principal Officer of the agency. Your request for a review should be submitted to the Chief Executive within 7 days of the date of this letter.

If you do not intend to seek a review of the charge, the fee of \$768.00 will need to be paid within 14 days of the date of this letter. Please make your cheque payable to Housing SA and forward it to Freedom of Information, Housing SA, GPO Box 292, Adelaide SA 5001. Upon receipt of your payment, the documents will be released to you.

The abovementioned sections and clause of the Act are outlined below for your information:

20. Refusal of access

(4) If –

it is practical to give access to a copy of a document from which the exempt matter has been deleted; and

it appears to the relevant agency (either from the terms of the application or after consultation with the applicant) that the applicant would wish to be given access to such a copy,

the agency must not refuse access to the document to that limited extent.

6. Documents affecting personal affairs

(1) *A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead).*

19. Determination of applications

- (1) ***After considering an application for access to a document, an agency must determine***
 - (c) ***any charge payable for dealing with the application.***

If you disagree with my determination, you may seek an internal review of my decision by writing to the Chief Executive as Principal Officer, Department for Communities and Social Inclusion. This must be done within 30 days of the date of this letter.
