Dear Ms Cook

Freedom of information application

I refer to your application under the *Freedom of Information Act 1991* (the Act), received by the Office of the Minister for Human Services on 21 August 2018 seeking access to:

Since 21 June 2018, copies of any and all documents (including but not limited to physical and electronic material) regarding the Minister's diary.

Unfortunately, a determination was unable to be made within the 30 days, therefore it is considered to be a 'deemed refusal' under section 19(2)(b) of the Act. However, our office has continued to process your application outside of this timeframe. Section 19(2)(a) of the Act provides that an agency can release documents outside of the thirty-day timeframe, and this is still taken to be a determination under the Act.

One document, the copy of Minister for Human Services electronic diary, has been identified as falling within the scope of your application and I have determined to release this document in part.

This document contains the mobile phone numbers of employees within the Minister's office. I consider that the release of this information would be an unreasonable disclosure of information related to the employees' personal affairs, and have determined it to be exempt pursuant to clause 6(1) of Schedule 1 of the Act.

Additionally, information that does not relate to the Minister acting in her ministerial capacity has been removed as out of scope.

Section 20(4) of the Act provides that if it is practicable to give access to a copy of a document with exempt matter deleted, and it appears that the applicant would wish to be given such a copy, the agency must give access to a copy of the document to this limited extent. Please find enclosed a copy of the document with exempt information removed.

If you are dissatisfied with my determination, you can seek an internal review by writing to the Minister for Human Services as the Principal Officer of the agency. Your request should be sent within 30 days of your receipt of this letter.

In accordance with the requirements of Premier and Cabinet Circular PC045, details of your FOI application, and the documents to which you are given access, will be published on the agency's disclosure log. A copy of PC045 can be found at <http://dpc.sa.gov.au/what-we-do/services-for-government/premier-and-cabinet-circulars>.

If you have any questions in relation to this matter, please contact Amanda Hockings, Office Manager, on telephone 8463 3388 or by email at amanda.hockings2@sa.gov.au. If you disagree with publication, you will need to advise the Office Manager within two weeks of the date of this determination.

Yours sincerely

Amanda Hockings
ACCREDITED FOI OFFICER
