Dear Ms Franks

I refer to your application under the *Freedom of Information Act 1991* (the Act), received by the Department of Human Services (formerly the Department for Communities and Social Inclusion). I confirm that your application sought access to the following information:

- *The number of properties administered under the South Australian Housing Trust that are currently vacant;*
- *The suburb where each of these vacant properties is located; and*
- *The date each property became vacant.*

Unfortunately, your application was not determined within the 30-day timeframe set out in the Act. However, Section 19(2a) of the FOI Act allows an agency to continue processing an application and make a determination to give access to documents after this time.

In scoping your application, Housing SA has obtained a 21-page document comprising one table. This document shows the total number of vacant South Australian Housing Trust (SAHT) properties in all suburbs (where they exist) and includes the vacancy start date, and for each property, whether it is either tenantable or untenable.

Reasons for properties to be vacant and tenantable include:

- Housing SA is undertaking minor maintenance prior to re-letting;
- the property is being offered to a suitable household;
- time required by new tenants to give sufficient notice to current landlords; and
- time required to organise support services for tenants entering the property.

Reasons for properties to be vacant and untenable include:

- Housing SA is undertaking major maintenance or redevelopment; and
- Under assessment for alternative use (redevelopment or sales), for example, awaiting an adjoining property to be vacated.

The data provided relates to vacant SAHT properties as at 29 December 2017.

I have determined to release this document to you in full and a copy is enclosed.

If you disagree with my determination, you may seek an internal review of my decision by writing to the Chief Executive as Principal Officer, Department of Human Services. This must be done within 30 days of the date of this letter.

Should you have any enquiries in relation to this matter, please contact Damian Gilbert, Senior FOI Officer, on telephone 8413 9094 and refer to the reference number shown above.

Yours sincerely

List of vacant South Australian Housing Trust Properties

As at 29th December 2017

Notes:

Data includes Public, Aboriginal & Special Needs Housing Properties.

Data includes properties that are managed by either Housing SA or Renewal SA.

Tenantable infers the property is available for rental but could either be under an offer process or undergoing minor maintenance prior to being re-let.

Untenantable infers the property is not available for rental, as it may either be undergoing major maintenance, a sale process, redevelopment or under consideration.

The vacancy status is at a point in time (29/12/2017), however a property could have multiple vacancy reasons over the life of the vacancy.
