Dear Ms Cook

I refer to your application under the *Freedom of Information Act 1991* (the Act), received by the Department of Human Services (DHS) on 10 January 2019 seeking access to:

Copies of any and all documents (including but not limited to physical and electronic material) regarding DHS or Ministerial Paper 18MHS/0526.

Unfortunately, DHS was unable to make a determination on your application within the 30 days, therefore it is considered to be a 'deemed refusal' under section 19(2)(b) of the Act. However, DHS has continued to process your application outside of this timeframe. Section 19(2)(a) of the Act provides that an agency can release documents outside of the thirty-day timeframe, and this is still taken to be a determination under the Act.

Three documents have been located that meet the criteria of your request and I have determined to release two documents in full and one document in part. Please find enclosed a copy of the documents released, and a document schedule containing a brief description of each document and determination in summary form.

Document 3 contains the personal contact details of third parties. I consider that it would be unreasonable to disclose this information and determine the information exempt pursuant to clause 6(1) of Schedule 1 of the Act. In accordance with section 20(4) of the Act, I consider that you would wish for access to the rest of the document after exempt information is removed and am therefore releasing the document to you in part.

If you are dissatisfied with my determination, you can seek an internal review by writing to the Chief Executive, DHS, as the Principal Officer of the agency. Your request should be sent within 30 days of your receipt of this letter.

In accordance with the requirements of Premier and Cabinet Circular PC045, details of your FOI application, and the documents to which you are given access, may/will be published on the agency's disclosure log. A copy of PC045 can be found at <http://dpc.sa.gov.au/what-we-do/services-for-government/premier-and-cabinet-circulars>.

If you have any questions in relation to this matter, please contact Fiona Braendler, Senior FOI Officer, on telephone 8413 9094 or by email at DHSFreedomofInformation@sa.gov.au. If you disagree with publication, you will need to advise the Senior FOI Officer within two weeks of the date of this determination.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Matthew Schutz', with a stylized flourish at the end.

ACCREDITED FOI OFFICER
