

Hi Rachel

As discussed, due to changes in the billing cycle, the mobile phone costs sent through yesterday are for December 2013 and not January 2014 as indicated in my E-Mail. The revised version is, therefore, attached.

**Mobile Phone
Costs - Chief Ex...**

It looks like these are now going to be two months behind as we won't receive until 2 months after the end of the month being reported on, ie end March will receive report for January 2014 data.

Regards

Sandi
